

MICRO JENISYS

Virtually Everywhere

Founded in 1997, Micro Jenisys, Inc. is a highly professional organization offering marketing services in the web industry. Our expertise in web site development and graphic design distinguishes us from other small businesses. We strive to maintain high accessibility, an innovative edge and the highest quality of service to meet the unique needs of each customer. As a result, Micro Jenisys has built a reputation of consistently exceeding client expectations. In August 2005, we became certified as a Women Business Enterprise (WBE) in the Commonwealth of Virginia.

WEB DEVELOPMENT

Micro Jenisys, Inc. has developed and maintained web sites for the past ten years. We use the most current tools to create effective and forward-looking sites for the diverse needs of our customers. Our in-house web editor provides quality assurance on site development and text. Below is a sampling of web sites we have created. Hourly rate is \$85 (fixed rates are negotiable).
